March 1, 2018

To our Valued Customers:

We are pleased to announce that effective March 1, 2018, Team Aquatic Supplies Ltd., has acquired AquaSport's business activities (excluding Endless Pools), a Quebec-based company and a leader in the Canadian aquatic market since 1982. This is a very exciting time for both companies, for our employees and for our customers.

What will this mean for you? By combining these two companies, which have shared values and philosophies, we'll be building a stronger more comprehensive infrastructure that will allow us to provide an enhanced customer experience, greater expertise, and expanded product lines – available to all our current and future customers from coast to coast.

At the four locations in and around Montreal, and at the Ottawa location, we will now operate as AquaSport – a division of Team Aquatic Supplies Ltd. There, you can rely on the same great staff, products and working relationships that you have had in the past.

At Team Aquatic Supplies Ltd. and at AquaSport, we are all about swimming: past, present, and future, and we look forward to an exciting future working with the Canadian aquatic community.

Accordingly you are hereafter directed to make all future cheques and payments out to:
