DATES TO BE AWARE OF

As we progress into 2025, I would like to take a moment to express my appreciation for the dedication and commitment from our volunteers, parents, coaches, and athletes.

With the operational elements of our program now in place, we are entering a new phase of focus and growth.

Moving forward, our primary emphasis will shift to performance excellence while fostering an environment that emphasizes swimmer attraction and retention.

Our goal is for every member within our community to feel motivated, engaged, and excited about their experience within our sport.

I look forward to seeing the continued progress and growth as we work together to make this season a memorable and successful one.

Robin Loyola
Swim PEI
Executive Director

At the November AGM, DJ Welton announced his decision to step down as Chair.

DJ has been an integral part of our organization for many years and his contributions to our sport are truly too many to list. We are grateful for all the time and energy he has invested in helping Swim PEI grow and succeed.

As DJ steps down, we are excited to introduce Marguerite Middleton as our new Chair. With her many years on the Swim PEI board and on deck as an official, we are confident that with her leadership, Swim PEI will continue to move forward and build on the strong foundation already in place.
